Dear Sirs:

My Name is ~~\_\_\_\_\_~~

~~\_\_\_\_\_~~ A Junior or 11th at The P.W.  
Morse High School here in Elizabeth City,  
N.C. I have some information and a little  
bit comments on U.F.O.'s or Flying Saucers. I  
have a lot of books base on U.F.O.'s, book by  
Coral and Jim Lorenzan, "title - Flying Saucers Occupant,  
Flying Saucers - Serious Business by Frank Edwards,  
They knew too much about Flying Saucers by Gray Barker,  
Flying Saucers on the Attack by Harold T. Wilkins, The  
Flying Saucers Reader by Say David Flying Saucers,  
Uncensored by Harold T. Wilkins, U.F.O. Report by  
Irving A. Greenfield, The Interrupted Journey,  
From Outer Space to You by Howard Menger,

Flying SAUCERS A CHALLENGE TO SCIENCE\*

by JACQUES & Janine Vallee, Terror  
Above us by Malcom Kent and many  
more. I AM 18 YEARS old. For the past  
3 YEARS I HAVE BEEN interesting in Astronomy  
But I HAVE SEEN an Unknown or Unidentified  
Object Flying through our Skies at nite. It  
SHAPE like a Star, About bright as  
the Star "Vega" in the Constellation "LYRAE",  
About 27 light-years away from here. It has  
NO - sound at all. I also have a  
3 inch Refractor telescope, It travels Fantasti-  
c, About, between 600 OR 900 mi/per  
hour, the Color of it is White but Vega  
is Red. One thing Peculiar thing About  
it Sometimes it will be Coming from the  
North going towards the South, then Stop in  
mid-air and turn around headed back to  
North again, Sometimes it will come from  
the South traveling toward the North-east, But  
one nite I saw two of these objects,

both of them at 3 the same time, one with  
Noun objects, one night traveling from South going  
toward North-east as it was going, I look  
up, another one was about 1 mile in the  
air above it, as the other got nearer the  
other one, the other one that was flying  
about 1 mile above the other one, it turn  
around and headed back to the East, it was  
traveling from East to West. Sometimes the  
object will seems to blank out when it  
get NEAR Constellation big Bear or ~~little~~  
~~Big~~ Big Dipper or Ursa Major. The sightings was  
observe about 30 minutes and about 9:00 that is  
my brothers have seen the same thing. One, night  
I saw the object traveling from South to North  
and I saw two of them that night NEAR  
the Constellation Cassiopeia or the W shape Const  
ations. I remember one night in 1966, it was  
ON A Summer Night July 24, 1966, my brothers and  
Cousins, and my uncle saw this bright oval shape  
blurred object, the time was about 8:00 o'clock, then  
a airplane around after the sighting, it was flying  
about 100 ft across a field, it was traveling ~~at~~

From South to Northeast, but it turn around  
 ahead towards North Again, it was big, bright,  
 and blurred and Oval Shape are disc shape  
 it was white in Color, it was no jet, airplane,  
 Helicopter, it had no sound at all, I couldn't  
 determined the size of ~~size~~ the object, then  
 it got brighter & brighter then it disappears.

Remember, January 12, 1968, I saw a object  
 hovering for hours NEAR the horizontal point  
 NEAR the South, I sighted it one nite  
 when I thought it was the planet Mercury,  
 but notice it ~~was~~ moves. My brother told me  
 it came from the East going South, it  
 shape like a star, with no sound at all, travel-  
 ing real fast, the sighted was made at  
~~10:00~~ 10:00 o'clock. When last year I was  
 going home one nite I saw a blurred  
 disc-shape object hovering about 900 ft  
 in the air, it was cloudy that nite, the clouds  
 cover the object up, when the ~~more~~ cloud  
 move, the object disappears.

Here is another Sighted <sup>55</sup> P. Saw this year, this  
happen on January 27, 1968, P was outdoors  
making terrestriab land-viewing, When P get  
home evenings P always take my telescope,  
and watch the Air liners, <sup>I</sup> believed. They're from  
New York, New Jersey and Washington D.C., P can  
~~distinsh~~ tell the difference between a Air  
Force military aircraft and a Jet airliner.  
I hope you're not thinking that P am sick,  
NEED Classes, or Seeing hallucinations, Illusions or  
trying to get publicity or anything, but as P  
was looking through the telescope following the trail  
of white smoke from the Jet-airliner, P  
~~was~~ amazing to see a object, that P have  
NEVER seen in my life. P told the teachers  
about this sightings, they didn't believe me, they  
that P was CRAZY, that P ~~flip my head~~ <sup>hid</sup> hid,  
or P was drunk. P told my mother about  
it, she told me if P keep looking threw  
that telescope something is going to grab me.  
This object was about (estimation) 3000 or 5000  
ft. in the air, it was about the ~~same~~ height  
that the Jet was flying, The object was ad

Signs there shall be From Heaven,  
you Air Force and NASA. People keep  
that in mind. I wish NASA would  
stop trying to put a man on the  
moon? I have proof that these  
things do exist, But, this Planet Earth time  
is about up. I tell you why these Flying  
Saucers or UFO's do exist, look at the  
World Problems today Concerning The United  
States,

- (1) Earthquakes - Italy - Alaska - etc
- (2) Wars - Vietnam Korea, middle east - war,  
Racial Violence - World War II + (3) the end of  
man)
- (3) Pestilences - measles, mumps etc.
- (4) Fearful Sights and Signs From Heaven

Ladies & Gentlemen what's happen in this world  
today, everything is right in the Bible, and so  
is Flying Saucers and UFO's.

(They do exist) Thank  
you

Oh! it was 2 times larger than a blimp, it  
was about ~~10~~ — I don't know the shape  
of it is ridiculous, It shape like the  
series that comes on television, The Flying  
NUN - or shape like a Nuns hats, it,  
was ~~big~~ From the back of it came  
two small saucers - shape

OO objects. they  
Plew out  
for awhile then  
the object return,  
then the object  
disappear, like it  
was magic. I cant  
say no - more because  
you all think that I am  
lying.

But, I have one comment about Flying Saucers  
what man and Scientists called today, Flying  
Saucers, are nothing but a sign coming from  
Heaven, if you don't believe it, Check your  
Bible - St. Luke - Earthquakes - Famines -  
Pestsilence, wars, and Fearful sights and a great
